

CMEA- NS
SOLO/ENSEMBLE FESTIVAL, Region III, 2023 Festival Guidelines

Friday, April 21st, 2023
Butte College Arts Building

I. REQUIREMENTS

- A. All participants must be enrolled in school, and in a school music course. They must have begun study of their instrument prior to March, 2022.
- B. All solo and ensemble entries must be approved and entered by the school music director, who must be a CMEA member. Ensembles whose members come from different schools must have the approval of all instructors involved and will be listed from the school sending the entry.
- C. Instrumental ensembles can include up to 15 students; one person to a part.
- D. There is not an official repertoire list, but it is encouraged that participants use “art” or “show” music as opposed to “pop” music. Please use musical taste to guide your students.
- E. There are no restrictions on the instrumentation. However, participants must recognize that specialists may not be available as adjudicators for some instruments. These performers will be judged on musicianship alone.
- F. To avoid scheduling complications, please specify the name of the accompanist on the Entry Form for all performers needing an accompanist. Every attempt will be made to avoid double-booking your accompanist. Do not send accompanist lists separately.

II. PROCEDURES

- A. Limited warm-up rooms are available. Please be courteous and share the space. **DO NOT PLAY INSTRUMENTS IN THE HALLWAYS.**
- B. **NO STORAGE ROOMS WILL BE PROVIDED.**
- C. It is the responsibility of the performer to be at the performance area on time. Latecomers will be canceled, or placed in a later opening if possible. Performance times will end promptly as scheduled.
- D. The performer must give the music to be performed to the adjudicator upon entering the performance area. Numbered measures will help the adjudicator to give accurate comments. Please plan ahead, **NO COPY MACHINE IS AVAILABLE AT THE SITE.**
- E. Twenty (20) minutes total time is allowed for each performance. This time includes entry & preparation, performance and adjudicator comments. Performers will be stopped when their allotted time has expired. To save time, warm up and tune as much as possible prior to entering the performance room.

F. One adjudicator judges each event and gives written and verbal comments as time allows.

G. All attendees are encouraged to visit performance rooms that interest them, even if they do not know the person who is performing. Take the opportunity to hear students from other schools and performers on instruments and in genres that may not be familiar. In addition, students can gain a great deal from listening to comments made by our professional adjudicators.

H. Each performer's music, adjudication sheet, and certificate will be given to the performer's teacher at the Festival Headquarters following the performance.
